

PALISADES JEWISH EARLY
CHILDHOOD CENTER

March 15, 2017

Dear Friend of Palisades Jewish Early Childhood Center,

Every spring Palisades Jewish Early Childhood Center (PJECC) hosts an annual parent and community event. The funds raised throughout the evening are used to support a different project every year. This year, the funds raised during this wonderful and exciting night will allow us to redesign the school's playground.

We hope you will not only attend the event, but also consider a contribution to our auction. Your support will enable us to provide our local children with a facility where they can both learn indoors and outdoors, giving them an all-around enriching school experience.

This year, our on-site silent and live auctions will be held at the Palisades Jewish Early Childhood Center on Sunday, April 30, 2017. In addition to the gratification of knowing that your contribution is directly impacting a child's growth while attending school, donating to our auction will also provide you with an opportunity to attract new patrons to your business as well as strengthen relationships with current patrons.

Thank you for considering participating in our annual auction. Attached to this letter you will find an auction donation form. If you have any questions, please don't hesitate to contact us.

We look forward to your support!

Warmest Regards,

Laura Rose
